#### To the Students:

Welcome to Framingham. We are happy to have you here. Admission to our college, or to any other college for that matter, in this year of 1959 is a great privilege—one that is denied to many young people. But if you are greatly privileged you are also greatly obligated to make the best of this opportunity offered you. We hope that your years here will be both pleasant and profitable. They will be to the extent that you enter into the life of the college.

Make a good beginning. Those first days are so important. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be intellectually curious. Be determined to look upon college as an enriching experience. In this way lies success. God grant that you may achieve it.

MARTIN F. O'CONNOR,  
President

#### Dear Freshmen:

Presto! From the Class of '59 to the Class of '63. The change is not confined to dates, however; there is a new orientation, a transfer of allegiance, a fresh start. Your choice of going to college leads you from the known to the unknown. It is an opportunity to move away from familiar scenes to "greener pastures." Tests lie ahead; make the most of them.

Can you adapt? Regret not vanishing senior prestige, but welcome the challenge to make a good name for a freshman. Can you trust your judgment? Question the decision to do always what you want to at the moment; weigh circumstances and consider consequences. Can you evaluate? Pursue your goal not by sacrifice of others but by sacrifice of self.

If the Dean can be of service at any time, she hopes you will give her that opportunity. She is looking forward with keen anticipation to meeting the Class of 1963 on September 13th.

Very sincerely,  
Dorothy Larned  
Dean of Women

### College Hymn

Dear Framingham, thy children round thee  
gather;

Our vows of love to thee we pledge anew.

Unfailing font of hope and joy forever,

We shall proclaim our homage to you.

Through countless years to all a fostering  
mother,

Thy bounteous blessings poured on age and  
youth;

Our suppliant prayer till time our chain shall  
sever

Will ever be, "Live to the Truth".

Words by Martin F. O'Connor

Tune: Finlandia

### Our Creed

We believe—in the Framingham State Teachers College and in its motto  
"Live to the Truth."

We believe—in a spirit of loyalty to our teachers, classmates, and friends;

in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for rights and privileges of others;

in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;

in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us "the good life" and sustain and build traditions for our college.

## A GLANCE AT THE COLLEGE

### HOW TO FIND F. T. C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your handbook tucked in your pocket, and your upper class adviser to greet you, why worry?

You can't get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B.&W. bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left and the taxi at the station. The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our "Hill". The rest of your journey will be done "shank's mare" up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then to May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all new students will be directed to their dormitory.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right onto Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive up from Boston you will come to the 1812 House on the left where there is a sign State Teachers College. Follow this road almost to the railroad crossing, take a left, Maynard Road, continue up the hill and take a right which will lead you to the college grounds.

## OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of methods, but of subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its Secretary. This board made possible the establishment of three normal schools, one of which has grown to be Framingham State Teachers College. Our normal school was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Stearns. The school was moved from Lexington to West Newton in 1844; and to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and established the practice school. She was followed by Miss Ellen Hyde.

Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930.

Francis A. Bagnall, served from 1930-1936, when Martin F. O'Connor became President. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

## FRAMINGHAM TODAY

### Honors List

Students who have a quality rating of 4.0 or higher are considered to be on the first honor roll. Those who have attained an average of 3.8 or 3.9 are on the second honor roll; and those with an average of 3.5, 3.6 or 3.7 are on the third honor roll.

### Special Study Program

Students may request permission to enroll for honors work if they have an average quality rating of 3.8 or higher for the entire sophomore year, or for the last semester sophomore year plus the first semester junior year (excluding practice teaching and house practice.)

The program is carried on under the direction of a faculty member and must be related to the student's major area of study. The student may begin to work any time after qualifying and must continue for four full academic quarters.

The choice of the faculty adviser and the actual program of study are matters of mutual agreement between student and faculty member, but the faculty elected for that purpose, and the acceptance of the project when completed must be approved by The Honors Committee.

### Traditional Events

#### Freshmen Initiation

"I will" must be the reply from new comers when commanded by a Senior on this inevitable day. One cannot miss the self-conscious Freshmen as they run around campus, but they sometimes have a difficult time recognizing each other! Initiation calls for special distinctions in attire and accessories, and the whole College enjoys the ingenuity and cleverness of the Freshmen in fulfilling their requirements. Those who are not obedient have the doubtful

pleasure of looking forward to Freshman Court a week later when punishment (tempered with mercy) is the order of the day.

### Faculty — Student Field Day

Some bright day in October hilarity will reign on the athletic field when the Faculty demonstrate their daring by competing with the students. The girls enjoy the democratic spirit of their elders, and faculty members enjoy the give-and-take with the students.

### Frateaco Weekend

By combining the first few letters in each word in Framingham Teachers College there results the word FRATEACO, an event known in the past as the Harvard-Yale Weekend, so designated because it traditionally fell (as it still does) on the weekend of the big Harvard-Yale game.

Friday finds teams and cheering sections ready, practice and drills over, the students rallying to the support of either the Black Knights or the Gold Stars, and everyone impatient for the fun to begin. Although the competitive spirit is everywhere in evidence, sportsmanship and good will prevail.

As a rule the weekend is ushered in by a talent show Friday evening, full of fun and laughter. Saturday is given over to sports, two out of three events determining the winners for the day. A dinner to honor the teams follows in Peirce Hall; speeches, singing, and announcement of the various captains for the following year are highlights of this gathering. The weekend usually closes with a dance in the gym, which leaves everyone who has participated in this grand and glorious event of FRATEACO happy to have experienced the wonderful spirit and the gaiety for which it is noted.

### Christmas Week

Regardless of dates Christmas week is the week before College closes for the holidays! Something suitable to the season is offered at Monday's Assembly. On Tuesday S. N. E. A. is hostess to a group of little folk less privileged than most. Wednesday evening the Musical Clubs present a program of Christmas music secular and sacred. The dorm girls have their Christmas dinner by candlelight, with formal dress "de rigueur", and the commuters gather at the Motor Inn or some other convenient spot for an equally festive repast. During the week each dorm and many divisions of commuters have Christmas parties and trees. On Thursday evening the Seniors go a-caroling, clad in warm clothes, accompanied by many of the male members of the Faculty. After making the rounds of the campus houses they widen their circuit to include homes of faculty members, the Home for the Aged, and many of the nearby friends of the College. Seniors are often heard to say the carolling is just the nicest event of the year—possibly an exaggeration but nevertheless significant.

### Stunt Night

One Friday evening in March is always keenly anticipated by the whole college community. For weeks beforehand each class (and the Faculty) works on a "stunt", the nature of which is shrouded in mystery. Originality, attention to detail in every particular, thoroughness of preparation, and percentage of group participation are all considered by the judges when the stunts are presented in public, and happy is the class that is awarded the privilege of having its numerals affixed to the Stunt Night banner, which always hangs in the main lobby of Dwight for several weeks prior to the program.

### Arbor Day

The Governor's proclamation is the basis for the campus observation of Arbor Day, planned and executed by the Seniors, and featuring the planting of a tree. Much of the beauty of our campus can be traced to former arbor days.

### May Day

The Sophomores' own day, May Day, begins with Chapel, at which the theme chosen for the day is revealed in the course of the program. Sophomores occupy the seats ordinarily reserved for the Seniors, and the beauty and promise of Spring motivate the arrangements made for this beautiful morning prelude to the celebration of the afternoon. After classes the Sophomore Class is hostess to the College and guests at a pageant in Chalmers Theatre and an informal reception in the grove. The highlight of May Day is the presentation of the Queen and her Court, and the Spirits of Spring and Framingham. An informal dance in honor of the Queen climaxes the day's festivities.

### N. S. A. Forums

Several times during the year foreign students are invited to our campus from nearby colleges, to discuss with us the cultures of their respective countries. In this way interest is quickened in problems which often prove to be universal, and the importance of mutual understanding is stressed.

### Chapel and Assembly

Respecting the religious creeds of all members of our college community, the aim of Chapel is to be inspirational and free of denominational bias of any sort. Leadership is furnished by seniors or members of the faculty, or guest speakers, the latter often secured by the Young

Women's Christian Association, which invites spiritual leaders of Jewish, Catholic, and Protestant groups to be guest speakers. To these generous guests the College is indebted for many inspirational talks.

### Public Relations

Good relations and sympathetic understanding between a teachers college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but it is very much within your power to add substantially to the reputation and fame of your alma mater.

Seek out opportunities to promote her ideals and strengths. Be quick to resent and be prepared to refute any derogatory remarks about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student of education, in training for the most important duty and privilege civilization offers, the honor of instructing its young.

Remember that you are entering a professional college, and a professional attitude is expected of you.

Begin well! Poor work in the first semester may handicap you through your whole college

course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your reputation here.

This is the place to make friends; don't chum with one girl exclusively. There are approximately seven hundred at Framingham. Don't be afraid to speak to the girl who smiles at you. First impressions are important.

### Cultural Aspects

A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in. All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. Home economics students make supervised visits to markets, stores, and industrial plants. Geography, science, and art classes have field trips to plants, laboratories, and museums. Drama and music classes or groups from them take advantage of the cultural offerings in Boston and many other nearby communities.

Cambridge, Sturbridge, Sudbury, and other towns within a narrow radius of Framingham all have unique features of special interest to the college student. Plan to investigate them.

Locally Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often throw their meetings open to students; there are special student tickets at reduced prices for the community concert series presented in Dwight Auditorium.

An evening series of two or three lectures extending throughout the college year is arranged by the Committee for Cultural Advancement with the financial backing of the faculty Pub-

lic Relations Committee and the S. C. A. This program is presented in Dwight Auditorium and is open not only to students at our own and neighboring colleges but to the residents of the town of Framingham as well.

### **Community Offerings**

Students with time and talent may join the Civic League Players or the Community Choral Society.

Through the courtesy of Babson Institute of Wellesley, F. T. C. students are privileged to use the Babson swimming pool once a week. Dr. Mackey, of our physical education department, arranges two series of lessons during the year, and personally supervises the swimming and life saving classes. A nominal fee is charged.

### **RED CROSS**

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through this College Unit the girls are able to participate as a group in Red Cross activities, and enjoy a valuable community relationship.

All these activities will continue as there is a demand for them. In addition, the College Unit stands ready to assume new and different duties, in accordance with the time and abilities at its disposal.

The Bloodmobile visits the College annually, and faculty, staff, and students contribute blood in order to maintain the percentage necessary for the all-college coverage which includes members of families. The date set aside this year is November 4, 1959. Identify yourself with your Red Cross College Unit.

## **FRAMINGHAM TOMORROW**

There are several projects now in the various stages of planning, all of which will increase the size and quality of the physical plant of the college.

Final plans and specifications are completed for two new buildings, a two-hundred-student dormitory and student union, and a science-home economics building. In addition, plans for enlarging the capacity of the Peirce Hall dining room from three-hundred and fifty to five-hundred and fifty are ready. Both buildings and the dining hall should be completed by September, 1960.

Future plans call for a new library building, an expansion of gymnasium facilities, a swimming pool, another dormitory, a home management training house, a training school, conversion of May Hall to lecture and seminar rooms, conversion of Dwight Hall space to classrooms, offices, and so forth; the demolition of Wells Hall; construction of a full-sized playing field on the hill near the water tower; and conversion of the present playing field to a parking lot.

The intention is to expand the enrollment of the college from its present 700 to approximately 1150 by 1970. Within the next several years a liberal arts program with majors in a few fields may be offered.

- c. Smocks are acceptable only when an apron would be.
- d. Shirts and blouses are to be worn tucked in.

## FACILITIES AND SERVICES

### Smoking:

Smoking is permitted in the recreation rooms in the basement of each dormitory, at hours determined by the Inter-Dorm Committee, and in the Students' Room in Dwight Hall, where a piano and a television set are available for relaxation and enjoyment.

The girls may use the Students Room for smoking during hours which are posted. Smoking is also permitted on the steps north and south of Dwight, on the steps north of May, and, for Crocker residents only, on Crocker back porch.

In order that no one group of girls be responsible for the care of the Students Room, the S.C.A. has set up a committee to acquaint the students with the system for keeping the smoker attractive and neat. It is expected that each girl using this room will assume the responsibilities assigned to her.

All rules are posted, and carelessness in observing them is cause for closing the room. It may be closed at any time by President O'Connor, Dean Larned, or the S.C.A. committee if there is not full co-operation on the part of the students in maintaining it.

Calendar events have priority rights in the use of the room.

### Reservation of Rooms and Facilities:

Rooms needed for special events, meetings, or rehearsals must be reserved with the Dean of Women, well in advance to avoid conflict. The coffee urn, dishes and silver, punch bowls and glasses may also be reserved by filing with the Dean a reservation form properly filled in.

### Sunning:

Sunning is limited to the rear of the Athletic Field when there are no activities scheduled there. It is expected that students will not abuse this privilege and will forego it on such occasions as May Day, Class Day, Commencement, etc.

### Parking:

A parking area is provided for students on Maple Street, next to the Vocational House. If demand exceeds the space, the Campus Improvement Committee will advise where cars may be parked. Our neighbors complain, justly, when students park on the street in such a way that oil trucks and other delivery trucks cannot get in and out of private drive ways. The local police have said that they will have towed away at the owner's expense cars parked other than directly adjacent to the College property along State Street. Senior and junior cars only may be parked on our hilltop when weather conditions permit.

### Typing:

A portable typewriter is available for student use. It may be obtained by applying to Mrs. Mallar in the main office in Dwight Hall; it is

to be used **on campus** only, and must be returned to the office by 9:00 A.M. the following morning. Dorm students may not type in the dorms after 10:00 P.M.

### **Study Places:**

The Ritchie Library is open from 8:00 A.M. to 5:00 P.M. Monday through Friday except during chapel and assembly hours; from 7:00 to 9:00 P.M. from Monday through Thursday; and on Saturday from 9:00 A.M. to 12:00 noon. Empty classrooms and the commuters' annex may be used during the day.

### **Employment:**

Information in regard to any type of employment connected with the school buildings, dormitories, village houses, or summer openings may be obtained from the Dean.

Opportunities for self help during the college year are very limited and are offered first to the upperclassmen.

### **Lost and Found Articles:**

Found articles should be taken promptly to the office of the Dean, where owners should inquire for them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the **Gate Post**. If they are not claimed by a specified date they will be returned to the finder, or disposed of at the discretion of the Dean.

## **THE MART**

The Mart confines its offerings to student supplies, special F.T.C. items, gifts and cards.

Mrs. Stuart Foster manages the Mart. Mart hours are posted on the doors. Profits go to the Student Alumnae Building Fund.

Here you will find art supplies, notebooks, paper, stationery, fountain pens, and the dozen and one items every college girl finds useful. You will also be delighted with the many items for your own use and for gifts, bearing the College seal and colors. The absolutely necessary college calender may also be purchased in the Mart.

## **THE BOOK STORE**

The Bookstore, located in Dwight Hall, lower floor, handles all the texts used in our courses, and is run by Dr. Foster. It is open at hours posted; all profits are devoted to promoting College public relations.

## **TELEPHONE**

A pay station for general use is situated in the cloak room to the left, in Dwight Hall Lobby. There are also dorm pay stations for dorm residents.

## THE ELLA C. RITCHIE LIBRARY

On the second floor of Dwight Hall is located the college library named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work. The library of over 21,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and nearly 200 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

ENTRANCE TO COLLEGE GROUNDS

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.

It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, now our Home Economics Department, was added to this building.

## DORMITORIES

Framingham fosters close relationships among students; this is evidenced in the dormitories where girls from all classes live together under the guidance of a house mother and a student house president, who represents the dorm on the Interdormitory Council (I. D. C.)

The dormitories function under the overall direction of the I. D. C., the house president and house mother cooperating in arranging activities and carrying out the plans of the dorm family. Each dorm has in addition to the president, a vice-president, a secretary, and treasurer; nominal dues provide for newspaper and magazine subscriptions, and other items voted by the dorm.

Weekends when college events are not scheduled time is taken up by activities planned by the dorm girls; sports, cook-outs, and excursions are all popular, and during the winter terms coffee is served after dinner on Sunday in one of the living rooms.

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshmen, junior, and senior years take a turn at ordering, preparing, and serving meals for the group. The house is under the direction of the Head of the Vocational Department, Mrs. O'Neill.

### **CROCKER HALL**

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brickfaced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. Other students from all classes make up the complement the Hall can house.

Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of a house mother. Mrs. Taylor, Resident Nurse, has her office and treatment rooms in this dormitory.

Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Peirce accommodates one hundred and ten students of all classes. Here also is the boarders' dining room.

The House is under the direction of Miss Harding and Miss Newell.

## OBLIGATIONS OF A FRAMINGHAM STATE TEACHERS COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Cooperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Cooperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to the development of an all round student.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Cooperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy. Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in upholding its reputation at all times.

**Dear Freshmen:**

On behalf of the student body, we would like to extend a friendly welcome to you, the Class of '63. We hope that your four years at Framingham will provide you with the opportunity to become acquainted with the Framingham spirit. Many activities here on the hill are traditional and add a great deal to this spirit. Through participation in these many functions offered to you, you will have a chance to make many new friends. These friendships you form will aid you in a better understanding of living and working in a cooperative manner to build the college atmosphere that is so well known on this campus. Now that you are a member of Framingham you will become proud of your school and your Student Cooperative Association. Make your school and SCA proud of you through your enthusiasm and interest. May your stay here be both successful and rewarding.

Student Cooperative Association

## THE CLASS AND CLUB COUNCIL

Chairman: Nancy Fitzgerald, '60, H. Ec.

Faculty Adviser: Dean Larned

It is the aim of the C.C.C. to maintain cooperation and harmony among the organizations at Framingham. It has charge of scheduling college events and elections, and it assumes major responsibility in assisting with the plans and conduct of pre-registration activities for the Freshmen.

All nominating is done preferentially, i.e., if three names are on the ballot, your first choice receives three points, your second choice receives two points and your third choice receives one point. In voting, indicate by a check mark your first choice only.

S.C.A. officers are nominated and elected by and from the school at large. Class and club officers are nominated by the members of the organization or a nominating committee as the

constitution of the organization may direct and are elected by the whole organization. The names of those nominated are reviewed for academic and social standing.

Each approved nominee is notified and is free to accept or decline a nomination. If a girl is nominated for two or more offices, she must decide, immediately upon notification, which nomination she accepts, if any.

The Faculty advisers are nominated and elected in the same way as the officers of the respective organization.

### **THE NATIONAL STUDENT ASSOCIATION**

**Delegate:** Louise Winslow, '61, H. Ec.

The National Student Association (N.S.A.) is an organization composed of college student governments throughout the United States. Framingham is a member of the New England Region of N.S.A. Members of our committee attend conferences held at various colleges throughout New England. The delegate represents the college both at regional conferences and at the national congress, which is the supreme legislative body of the Association.

The N.S.A. Committee includes ten sophomores elected at the end of their freshman year by their class, and one junior elected from the previous group of ten sophomores who have served one year. One of these juniors will be chairman and the adviser will be the girl who served as chairman the previous year.

It is our hope that the entering students will become interested in N.S.A., and realize that the success of the student government and N.S.A. is dependent on their active support and participation.

### **THE HONOR COUNCIL**

**Chairman:** Barbara Odiorne, '60 H. Ec.

**Faculty Members:** Dr. Sarignana

The students of the State Teachers College at Framingham believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the honor system. According to the regulations of the honor system, each girl is placed on her honor in all work designated as honor work in the constitution.

The Honor Council reviews all cases of reported dishonesty and infractions of rules.

The chairman of the Honor Council is elected by the student body and is a member of the council of S.C.A. In addition to the chairman, the Honor Council comprises the following members (elected according to the procedure explained in the constitution) four representatives from the senior class, two elementary and two home economics or vocational students; two representatives, one elementary and one home economics or vocational student, from each of the other three classes; and two representatives from the faculty (elected by the faculty).

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State Teachers College will uphold this privilege of self government.

# Honor Constitution

## Foreword "LIVE TO THE TRUTH"

We, the students of the State Teachers College at Framingham, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Constitution of the Honor System.

## ARTICLE I

### Application

Section 1. The Honor System shall apply to every member of the student body at the State Teachers College at Framingham.

Section 2. The faculty are requested to cooperate by observing the rules of the Honor Constitution and by reporting to the Council infractions of rules.

## ARTICLE II

### Honor

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination or test. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another's work as one's own. In those instances where sources are consulted, proper acknowledgement must be given. It must further be understood that students are to

refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in cooperative study. In the matter of work books or study questions if the instructor does not at any time wish students to engage in cooperative study or consult other sources, he must specifically say so.

Since it is recognized that uncertainty may arise in these points of cooperative study, study questions, work books, or late examinations, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.

## ARTICLE III

## ARTICLE V

### *Regulations*

#### Section 1.

- A. In order that all possible misunderstandings may be avoided, all students and faculty must know and enforce the regulations below.
- B. The following regulations are necessary to maintain a proper atmosphere during the taking of examinations and quizzes. A student must understand that infraction of a rule could mean that her name might be reported to the Council, (Sec. 2 A, below). Since it is absolutely necessary to avoid all appearances of concealed papers or of suspicious communication, students must conduct themselves as follows:
  - 1. Students are to bring to the examination nothing but what the instructor specifies as permissible. Ordinarily this would include only writing materials and loose paper handkerchiefs. If pocket books, glasses cases and wraps are brought into the room, the instructor is to designate where they are to be put.

- 2. Avoid all suspicious actions such as seemingly to look at another's paper, and any unnecessary talking; necessary talking shall be spoken out loud for all to hear.
- 3. Students desiring clarification of examination questions must leave the room to consult the instructor.
- 4. A student finding it necessary for any reason to leave the room is to report directly to the instructor.
- 5. A student may leave the examination early. It is recommended that she put on her paper the hour of leaving.
- 6. A student who has turned in her examination must leave the room at once and is not to return until the examination has been terminated unless she reports to the instructor first and has his permission.
- 7. A student after leaving the examination room is to engage in no communication with anyone within hearing of students remaining in the examination room.
- 8. Examination papers once handed in must be left untouched and unread by other students taking the examination.
- 9. During hour tests and final examinations the instructor must make provision for adequate spacing between students.
- 10. The instructor shall designate in writing at the beginning of the examination (on blackboard, question sheet, or otherwise):
  - a. Where he may be found throughout the period.
  - b. Where the examination papers are to be turned in.

#### Section 2.

- A. It is the duty of every student and faculty member to report in writing to the Council

any instances of dishonesty or violation of regulations. The student reporting must use a prepared form, one of which will be found at the end of this Constitution. Additional forms are to be in an envelope attached to the Student Cooperative bulletin board, first floor, Dwight Hall. The report must be sent immediately to the Chairman of the Council.

- B. It is the duty of every student and faculty member to report to the Council any knowledge of rumors concerning possible infractions of rules.

#### Section 3.

- A. The members of the Council shall maintain the utmost secrecy concerning the names of students reported or students reporting and all details of Council meetings.
- B. All students involved, those reporting and those reported, are required to maintain the same secrecy.

#### Section 4.

- A. Upon receipt of a report of alleged dishonesty or of alleged violation of rules in accordance with Art. V, Sec. 2 A, the Chairman and Secretary of the Council with one of the faculty members shall interview the person or persons reported. The Chairman and Secretary shall report to the Council on said interview.
- B. The defendant will be called before the Council. The student or faculty reporting may be asked to meet with the Council separately.
- C. The Council after all interviews are completed shall take definite action by secret ballot upon each case presented. (Art. III, Sec. 1H)

#### Section 5.

- A. If it is the vote of the Council that a student has violated a regulation, (Art. V, Sec. 2 A), the student will be notified in writing to this effect. A warning will be issued that

a subsequent conviction for an infraction of a rule of the Honor Constitution during her college course will call for disciplinary action.

- B. If it is the vote of the Council that a student has been guilty of dishonesty as specified in Art. II, she will be required to go before a faculty committee appointed by the President of the College and exclusive of the President, for confirmation of guilt and of disciplinary action. If the Council's decision is upheld by the faculty committee, the student will face one or more of the following punishments:

1. A student may be given a written warning.
  2. A student may hold no school office or committee chairmanship either that year or the following year. The Secretary of the Council will, in this case, notify the Dean at once in writing that the student is no longer eligible for office.
  3. The student may be placed on probationary suspension and all faculty members in whose classes the student is enrolled should be so notified.
  4. A student may be recommended for suspension without probation.
  5. A notice of her offense and of the disciplinary measures applied may be entered as part of the student's permanent record.
- C. In the event that the faculty committee does not uphold the decision of the Honor Council, the faculty committee shall state to the Council its reasons for disagreeing, and ask the Honor Council to review the case.
  - D. Students found guilty of dishonesty will have to satisfy the conditions set by the instructor in whose course the trouble occurred to justify the awarding of a final grade for the course.

- E. In the extreme event that a student is found guilty, (Sec. 5 B) a second time by the Council, such repetition of guilt being upheld by a faculty committee, recommendation for expulsion will follow.
- F. It is clearly understood that final decision in all cases rests with the President of the College.

#### Section 6.

- A. Each student must sign a statement that she has read this Constitution and is fully aware of its contents and will abide by it.
- B. These statements are to be filed with the Secretary of the Honor Council.

### ARTICLE VI

#### *Amendments*

This constitution may be amended by majority vote of the student body and faculty. Any student or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal will be given due consideration by the Council, and if the Council votes in favor of the proposal, it will be presented to the student body and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by 10 per cent of the student body or faculty so requests.

### ARTICLE VII

#### *Interpretations for the Student*

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to instill in the minds of the incoming students the tradition of honesty and the principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

## FORM FOR REPORTING VIOLATIONS OF RULES TO THE HONOR COUNCIL

Your cooperation in reporting infractions immediately is most urgently requested. A delay of even a day or two may hamper the Council in carrying out their judicial functions.

Under the Honor System I am bound to report this infraction:

DATE INFRACTION OCCURRED .....

HOUR OF CLASS ..... COURSE No. ....

Signed .....

Class .....

Division .....

Date .....

Be sure your information includes the name or names of students involved and give as specific an account as possible of what you observed.

## INTERDORMITORY COUNCIL

**Chairman:** Dorothy Dwyer, '60, H. Ec.

**Adviser:** Dean Larned

The principal objective of this council is to encourage self-discipline and cooperation with others. The members of the council are: Chairman of I.D.C., Dining Room Chairman, Student Supervisor of Village Homes, Student Assistant at the Vocational House, Dormitory Presidents (3), Faculty Adviser.

The council functions to uphold regulations set forth in Dormitory Living. Infractions of them shall be dealt with as follows:

### First Offense

1. Recorded and in effect throughout semester.
2. Written warning sent to offender by I.D.C. Chairman.

### Second Offense

1. Appearance before I.D.C. mandatory.
2. Punishable by campusing, Monday through Thursday nights.

2. Punishment decided by the J. B.

Any dormitory resident has the responsibility and the power to report an offense to an I.D.C. representative. The I.D.C. representative shall report all offenses to the Interdormitory Council.

## DINING ROOM COUNCIL

**Chairman:** Barbara Shaw, '60, El.

The Dining Room Council exists to help maintain an atmosphere of homelikeness and refinement in our dining room. Three days a week at the evening meal girls are given assigned seats so that freshmen will become acquainted with the upperclassmen. Once a week we have "dress-up" night, when birthdays are celebrated.

It is hoped that each girl will feel at ease in our dining room and will, by reflecting her home training and her own appreciation of good breeding, contribute to pleasant social intercourse.

# Dormitory Living

ONLY when the rights and privileges of others are as important to us as our own rights and privileges can we honestly say we are glad we are living under democratic government.

DOROTHY LARNED,  
Dean of Women

## 1. GENERAL PERMISSION

The dormitories have a definite system for signing out when a student leaves campus at **any** time for **any** reason, and this must be observed. Also, each student must sign out, at the place designated by the House Mother, if she leaves her dormitory during the evening or on a day when there are no classes, to work in any of the college buildings.

On Friday and Saturday evenings students may sign out until 10:05 o'clock on their regular "sign-out" cards without special permission. For all late permissions, i.e. after 10:05 o'clock students should sign in the regular "late book" in the House Mother's office.

The following "lates" apply until further notice.

Students are to sign out **time and place**. No student is to sign out in another's name. Failure to follow either of these regulations will be referred to the Judiciary Board for appropriate action.

A pen is to be used for signing out.

The schedule is not affected by regular holidays.

Week-end lates, i.e. Friday, Saturday, and Sunday, are not affected by a D or E mark. Monday through Thursday lates are **affected**, as follows:

## 2. WRITTEN PERMISSIONS

At the beginning of the college year written permission from home and approved by the Dean is required for:

- A. Spending the night or week-end away from College, not at one's own home.

NOTE: Special permission from the Dean is required for:

1. Spending a night away from College anywhere during the school week.
2. Spending a school day or any part of such a day away from College for other than College appointments.
- B. Canoeing, swimming, sailing, flying, skating, bicycling, or horseback riding.
- C. Leaving College with escorts.
- D. Driving with friends or relatives.

NOTE: A form, used for most of the permissions named above, is mailed out to all students before they return to College in the fall. Specific names and definite addresses are requested on all permissions, college as well as home addresses for escorts. If parents wish to leave A, B, C, or D to the discretion of their daughter, a notation to that effect should be made on the permission blank. **This does not apply to Freshmen.**

Names may be added or deleted by notifying the Dean.

The Dean is ready and willing to give special permissions at any time when an occasion warrants

it. She should also be informed promptly of any emergency permission obtained from the House Mother or other recognized authority.

Students are reminded that it is courteous to introduce their escorts to the House Mother.

## 3. QUIET

In order that each student may enjoy her privilege and right to study, rest and sleep, as well as to relax, quiet and order are necessary. Consideration for others and self control can, with an effort on the part of each individual student, produce the conditions of a well regulated dormitory.

Unless students are interested in producing these conditions and in securing the rights of all who are living in the dormitory, they will be requested to withdraw from the dormitory.

An Inter-dorm Council administers the quiet and order regulations, which are set up by the students with the approval of the administration.

The dormitories should be quiet from 7:30 P. M. on and during the hours of classes.

The dormitories must be quiet until 6:45 A. M. Monday through Saturday, and until 9:00 A. M. on Sunday.

All day Sunday reasonable quiet is expected, both in the dormitories and on the campus.

No musical instrument shall be played in the dormitories after 7:30 from Sunday to Thursday; nor after 10:00 P. M. on Friday and Saturday nights.

Exception has been made in the case of radios; they may be used at the discretion of the owners, so long as they are not heard **outside the room where located**. Abuse of this privilege will be reason for forfeiting the right to use the radio.

The wearing of soft soled slippers during the evening is recommended. Dorm rooms are far from sound proof.

Students who return late are expected to go quietly to their own rooms, and to be particularly quiet in preparing for bed.

#### 4. LIGHTS

The College furnishes one light; any other bulb the student furnishes herself.

Lights should be turned off when not in use. This is particularly important now that we are using commercial current.

Lights must be out by 12:05 P. M.

If lights are needed after the hour specified, the House Mother should be consulted.

#### 5. ROOMS

Dormitory rooms are to be kept clean and in order at all times.

It is expected that beds shall be made by 9 A. M.

Decorations may be hung **only** from the moldings. Bulletin boards of monk's cloth or wall board are useful for putting up small souvenirs and decorations.

No pins, tacks, nails, tape, or paste shall be used on walls. Dormitory groups may vote fines for any infraction of these regulations.

No electric appliances except radios may be used in the rooms.

Tin containers are advised for storing food.

Shades should be drawn when lights are burning in rooms.

#### 6. DRESS

Unconventional or informal attire such as shorts, dungarees, bathing and sun suits, negligees, etc., is not to be worn in the living room or dining room, to classes, or in May or Dwight Hall. See the regulations, which are printed elsewhere in this handbook.

"Sunning" on campus is for dormitory residents only, and in places approved by the President and Dean.

#### 7. GUESTS

Parents and family are welcome at any time when such visits do not interfere with college routine, either class or dormitory. Other than for scheduled college events, visitors may be entertained only on Friday and Saturday evenings, until 11:05 P. M., and on Sunday afternoon and evening until 10:05 P. M.

Guests, whether escorts, family, or friends, should be introduced to the House Mother.

Rooms may be visited by parents on Sundays from 2:00 to 4:00 P. M. The House Mother should always be consulted before any other visitors are taken to a student's room.

Arrangements for over night or week-end guests should be made in advance with the House Mother.

Permission for meal guests should be secured from the head matron in Peirce Hall.

#### 8. AUTOMOBILES

Boarders are not allowed to have cars at College, unless, in an emergency, special permission is secured from the President or Dean.

NOTE: During Commencement Week special arrangements for seniors will be approved by the Dean.

Boarders are reminded not to exceed the restrictions of their permission blanks with respect to automobiles.

#### 9. STUDY PLACES

Seniors, Juniors and H. Ec. Sophomore clothing divisions may use the school buildings May and Wells, at night after 6:30 P. M. for study, during the school week.

Students who take this privilege must be back in their rooms by 9:30 P. M. unless some faculty member is responsible for them.

School buildings must not be used before 7 A. M. except by special arrangement by a faculty member.

The library in Dwight Hall is closed at 5:00 P. M. on school days, and at 12:00 A. M. on Saturdays, but is open certain evenings at hours posted.

If college buildings are open over the week-end, students may use them for study or work up until 9:30 P. M., but it is urgently requested that girls go in two's or three's at such times.

Never at any time should students study *alone* in any part of the school buildings in the evening.

## 10. ILLNESS

Any illness must be reported to the resident nurse and House Mother.

Any student unable to return to College from home or elsewhere because of illness should communicate with the Dean; if unable to reach her, with the House Mother.

When a tray is needed, a slip explaining the need and approved by the nurse or whoever is replacing her at the moment must be left with the House Mother, at least an hour before the meal if possible except for breakfast and then directly after the meal.

Tray dishes must be washed and dried and returned to the office before the next meal.

## 11. TELEPHONE

Pay stations may be found in each building, and all student calls should be placed and received at these stations. The numbers are as follows: Pierce Hall TR. 9-9064, Horace Mann Hall TR 9-9053 and Crocker TR. 9-9025.

Parents and friends should be given the numbers of the pay stations, and the hours when the students may be called.

All telephone calls should be received or made during the free hours—avoiding classroom schedules—and before 10:00 P. M.

The Business office of the College is at Dwight Hall. All business matters will be cared for there during the hours 8:30 A. M. to 4:30 P. M. Telephone—TR. 2-3501.

The Dean's office telephone number is TR. 2-3501.

No office telephone—in any school office or dormitory office—shall be used by students.

## 12. SMOKING

The Student Cooperative Association expects students not to smoke while on the streets of Framingham, while traveling in public vehicles in the vicinity of Framingham, or when Framingham girls go in a group for professional or social reasons connected with the college life.

Smoking in places off campus other than above is left to the student's own wishes, just as long as she conducts herself in a becoming manner and in a way not to bring discredit to the college.

Regularly designated smoking rooms are the only rooms where smoking is permitted on campus. Hours for their use are posted on the bulletin boards.

Smoking in a dormitory room is cause for immediate removal from the dormitory.

## 13. BULLETIN BOARDS

Students should consult their dormitory bulletin board regularly at meal time, as they are held responsible for acquainting themselves promptly with all notices posted there.

## THE DIAL

We, the staff of your yearbook, The Dial, extend greetings and a hearty welcome to you as you enter our college at Framingham. The Dial portrays, through a literary and pictorial medium, the history of the graduating class and tries to convey just what four years at F.S.T.C. means to the class. Although essentially a senior book, all college events and clubs, as well as the faculty and underclasses are well represented. We believe the purpose of the Dial is to aid you in remembering your years at college. We hope these years will be happy and successful ones for you.

## ATHLETIC ASSOCIATION

The Athletic Association (A.A.) is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students. A variety of sports is offered. There are team sports: hockey, basketball, volleyball and softball; the individual sports are tennis, badminton, bowling, and swimming, and there is ice skating. Along with the interclass games and the inter-dorm games on campus the girls enjoy round-robin games with several other colleges.

Points are given for participating in any athletic event. These points count toward various individual awards. You who are to be members of the Class of 1963 will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.

"We believe in the spirit of cooperation and sportsmanship in the classroom, in the athletic field and in all other activities."

## COMMUTERS' CLUB

The Commuters' Club welcomes the class of 1963 to Framingham. Our club's main purpose is to increase the interest of the commuter in the activities of the college. Among the activities are a cook-out, a dance and a Christmas dinner. Through the Commuters Club representation on the S.C.A. Council problems peculiar to commuters are brought to the attention of the student body. Membership in the club is one way for a commuter to feel a closer bond with the college and the campus life.

## HILLTOP PLAYERS

Here on the campus Hilltop Players is our dramatic club, the purpose of which is to maintain an interest in drama and stimulate participation in the many aspects of dramatics and the theater and a growth in self-expression.

Throughout the year our meetings feature readings, discussions, and talks that give a keener understanding of the theater itself. In December we present a Christmas production.

Our year is climaxed by a full scale spring production.

Whatever your interest, there's a place for it in Hilltop Players as a light technician, publicity agent, set designer, costume designer or an actress. We are all looking forward to meeting and working with you.

## THE HOME ECONOMICS CLUB

Organized in 1924, the Louisa A. Nicholas Home Economics Club was named in honor of Miss Nicholas, for many years the beloved head of the Home Economics Department.

The purpose of the club is to bring together the students of the department in order to keep them well informed on current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Club Department through its affiliation with the Eastern Massachusetts Home Economics Association, The Massachusetts Home Economics Association and The American Home Economics Association. Our club is well represented this year by Nancy Flynn, '60, who is president of the College Club Department of the American Home Economics Association.

Our club wishes to extend a warm welcome to you, the class of 1962, with the hope that you will join us and become active participating members.

## THE MUSICAL CLUBS

The Musical Clubs would like to take this opportunity to extend a welcome to the class of '63. We hope that many of you will want to join us this year in our various musical activities. The Glee Club members are chosen by tryouts early in September, every girl in the college having an opportunity to try out. Our chapel choir, a selected group from within the Glee Club, sings two mornings a week in chapel, and gives outside concerts during the course of the year.

If you can play a musical instrument we want you in the orchestra. Since the orchestra is a recently organized group, your help is needed to build it up.

Again, we hope you will want to help us further our purpose of enjoying and appreciating good music. Sing with us at the Christmas Candlelight Service, the annual Glee Club Concert and the class day evening concert on the Horace Mann Terrace.

### THOMAS A KEMPIS CLUB

The Thomas A Kempis Club, named for a priest and writer of the fourteenth century, was founded thirty years ago in this college for the purpose of furthering Catholic culture and Catholic fellowship. It is affiliated with the Boston Province of the National Newman Club Federation.

As a club member one may attend the annual communion breakfast, the frequent meetings offering Catholic instruction under the direction of our Chaplain, and many off-campus religious, educational, and social activities. The entire student body is invited to patronize the annual A Kempis Formal. At an assembly the A Kempis Club brings a noted speaker to the campus.

This year the A Kempis Club will emphasize spiritual and educational activities. The annual retreat will come in the spring.

The A Kempis Club invites all Catholic students to join to help make the A Kempis Club a fine club spiritually and socially.

## YOUNG WOMEN'S CHRISTIAN ASSOCIATION

The Framingham "Y" is affiliated with similar associations of the other colleges in New England and is also connected with the Student Christian Movement of New England. Through this New England organization we attend many off-campus conferences, where we have the opportunity to meet students from other colleges and share our ideas. Our association tries to introduce the girls to the various churches in and around Framingham Center. In addition to our regular meetings we have Bible study groups, discussion groups, and invited outside speakers to come in to give us their view points on various subjects. Our two main events this year are the Sunrise Service and Breakfast and the Moonlight Mood, a late winter semi-formal.

The "Y" is a friendly association, and we are looking forward to your joining us and sharing in our many events.
